Are you interested in buying a home?

Come to our Homeownership Readiness drop-in clinic for an individual session with one of our counselors. Our staff and volunteers can help you determine how ready you are to buy a home and which steps you will need to take to prepare for a future purchase. They will also share home-buying resources during the session.

You may drop in between 4:00 and 7:30 pm to speak with a counselor, but you must pre-register and bring the Pre-purchase Questionnaire to the session (questionnaire provided at pre-registration).
