WHY SUBMIT A POSTER?

Fair Housing Advocates of Northern California wants to celebrate the beauty that each unique individual brings to our neighborhoods and our schools. We want to help prepare our children for a future where they will live and work with people of diverse backgrounds. It is hurtful and unjust when people are judged or treated differently because of their skin color, language or accent, ethnic background, religion, gender, disability, or because they have children in the family. We want to help build a more inclusive community, free of prejudice.

"I want to take this opportunity to thank you and your wonderful staff for all you do for children and their families in Marin County. We are so fortunate to have a community partner like you to support the education of our children."

- Mary Jane Burke, Marin County Superintendent of Schools
